

2013 Big Day Bird Count Results Compiled by Bob Miller

The birds listed below are all the species we have seen in our May Big Day Counts since 1969.

The birds seen in the 2013 count have a check mark (✓) or in the case where only one bird was seen with (1).

(Based on the taxonomy of the American Ornithologists' Union *Checklist of North American Birds*, 7th Edition, 1998 and 42nd supplement (2000). Includes only species seen on DOAS Big Days from 1969 on.)
