Wood Thrush, Breakfast Roast: The mild bright sweet flavor, light body and fragrant aroma of this delightful coffee make it an especially pleasant way to start your day.

American Redstart, Light Roast: A great tasting coffee from a family farm in Guatemala. Smooth, balanced, complex.

Chestnut-sided Warbler, Medium Roast: Grown on some of the best managed family coffee farms in Latin America – full of birds and good conditions for workers. A rich complex blend with a subtle and nutty flavor that pleasantly lingers.

Scarlet Tanager, French Roast: From the co-op farms of UCA San Juan del Rio Coco in the northern Nicaraguan highlands - roasted to a richness you can taste. Excellent body and intense flavor are highlighted by smoky aromatic undertones developed during the dark French roast.

Baltimore Oriole, French Roast Decaf: Baltimore Oriole, French Roast Decaf, water process caffeine extraction.
